8:35AM - 8:45AM	Welcome Address by FIU Leadership
8:45AM - 9:00AM	Remarks by State Legislative Member; Introduced by Senator Anitere Flores
9:00AM - 9:30AM	Opening Keynote Address on Responsible AI
9:30AM - 10:30AM	University Presidents' Panel on the AI Impact to the Future Workforce
10:30AM - 10:45AM	Networking Break
10:45AM - 11:45AM	AI Impact on Governance and Security
	This panel will delve into pivotal issues such as data privacy, securing critical infrastructure, and government adoption. Global cooperation for addressing security challenges will be highlighted, along with the evolving regulatory landscape to balance innovation with ethical considerations. The session will underscore the need for a responsible and collaborative approach to harness the full potential of AI in governance and security.
11:45AM - 12:15PM	Lunch Break
12:15PM - 12:45PM	Lunch Address by Private Sector Leadership
12:45PM - 1:45PM	AI Impact on Economy and Society
	This panel will explore the profound impact of artificial intelligence (AI) on the economy and society. It will focus on how AI drives economic growth through innovation, with an emphasis on the importance of Intellectual Property (IP) for continued innovation. Discussions will also cover the ethical and equitable development of AI, ensuring its benefits reach all of society. Additionally, the panel will examine the changing landscape of the workforce in the AI era and address the challenges and opportunities to close the technology deficit by ensuring widespread AI access and comprehension.
1:45PM - 2:00PM	Networking Break
2:00PM - 4:00PM	Position Paper Working Groups
